### Vehicle Description

1969 Kristi brand snow cat with trailer. 4 person light utility snow cat for backcountry and/or ranch use. Engine and all other systems run well. Simple systems allow for easy driving and maintenance. Powered by 1200 cc air-cooled VW engine. 6-volt electrical system. Lightweight fiberglass body and wide tracks allow for use in deep snow conditions. Hydraulic system allows for leveling of the vehicle when crossing a slope. Improvements made in the last 3 years include: replacement of carburator by VW specialty shop; professional cleaning and relining of gas tank; replacement of gas lines and filter; new battery (December 2004); new rooftop muffler; addition of ski/snowboard rack; recent oil change and tune up (general engine tune up done December 2004). Current owner obtained vehicle 3 years ago. Trailer has functioning tilt system, electric breaks, and light system. Bidding starts at \$2,750. Paypal payment only. Payment must be made within 3 days of winning auction. Buyer is responsible for pickup of vehicle in Boulder, Colorado within 10 days of purchase. For serious questions regarding the vehicle, contact the seller at royleckonby@yahoo.com.

### Questions from other buyers

**Q:** Your snowcat is great. I've been trying to pass it off as mine for several years now. It won't be the same at that intersection. I met one of your roommates...[more](#)

answered on: Feb-23-05

**A:** Pete, I saw your pics and your bus looked pretty good pulling the snow cat. No I don't think your crazy I would have done the exact same thime. That...[more](#)

**Q:** What size ball is appropriate for the trailer hitch & what style lighting plug?

answered on: Feb-23-05

**A:** The ball I got a while ago but what I remember it is a standard ball. I believe that would make it a #2 ball. The trailor has electric brakes that run...[more](#)

**Q:** What is the cruising speed and how does it handle on an icy lake. thanks kirk

answered on: Feb-23-05

**A:** I do not have experience on ice but I imagine it would not have any problems. Top cruising speed, I'm not real sure but if I were to guess maybe 20mph...[more](#)

**Q:** Ok, so a couple of questions: Is the hydraulics in good condition? Whats the avalibility of replacement parts like? What kind of work does it need...[more](#)

answered on: Feb-23-05

**A:** All systems are working welll. No major work needed.. Hydraulics are very simple even for me, who is by no means an expert on hydraulics. Hydraulics could...[more](#)

**Q:** Are parts possible to find for it? I owned a Bombardier Bombi that parts where somewhat difficult to find. Thanks.

answered on: Feb-23-05

**A:** Parts are out there, It just takes a little networking to find other people with Kristi kats. For example see this site <http://kristisnowcat.com>
