**Description** ([revised](#))

**VINTAGE (Mid 1960's) KRISTI SNOW CAT WITH HYDRAULICS. LOOKS LIKE**

**FUN!**

**We are listing two model KT-3 Kristi Snowcat's in two different auctions. Please view auction.**

**This auction is for serial # 105 that is complete and in working order, including tilt bed trailer and pull behind ski trailer.**

**These two snow machines were manufactured by Kristi during the mid 1960's.**

**The transmissions are manual, 8 speed forward and 4 speed reverse.**

**Steering is by breaking the left or right track.**

**The engines are air cooled Volkswagen 4 cylinder.**

**During operation the operator may elevate the body hydraulically 10" to 12" from the position to accomplishing a sledding effect while propelling through powder snow.**

**Under stable snow conditions this machine will transport three passengers plus the operator while pulling a flat bed equipment trailer.**

**The motor, clutch and exhaust system in machine #105 have been professionally rebuilt. Machine has not been used since that work was done.**

**It has been parked for several years and will require routine maintenance before being used.**

**The transfer of the snow machines is via Bill of Sale.**

**The transport trailer is a tilt bed made for easy loading and unloading.**

**The trailer is single axle with 2" ball, trailer breaks (that don't work) and a spare tire.**

**The trailer is transferred by title, I have a good Colorado Title.**

**We have additional photos if you would like to see more of the machine or trailer.**

**The winning bidder agrees to pick up the Snow Cat and trailer in Montrose, Colorado**
